

You Are Warmly Invited!
Join the Worldwide Celebration of

The
Remembrance Supper

Date: Saturday, April 6, 2024
Time: After Sundown
Place: Your Choice

Let's join in sharing this Urantia celebration – ‘the only ceremony or sacrament associated with Jesus’ whole life mission’ on Urantia, and the **only** one Jesus ever asked us to do! (**UB 179:5.4**)

We invite you to gather together in your homes and in private groups to celebrate **The Remembrance Supper** in solidarity with others who love Jesus around the world. Share the symbolic bread and wine – *the united life of the Father and the Son in one gift* – and let this event invigorate and stimulate our ministry and worship throughout the year.

Share this invitation with family and friends and encourage them to join in the celebration of **The 2024 Remembrance Supper event**, where the Master “is actually present.” (**UB 179:5.6**)

Let's show our celestial family the World of the Cross in unity!
